

West Area Plan

2023-2027

**Sunderland
City Council**

Supported by
West Area Committee

Our Ambitions

To actively encourage local residents to become involved in shaping the Area Committee Area Plan

To listen and respond to the needs of residents and through working in collaboration with partners across all sectors and at an area level ensure the delivery of activities and projects to support matters which affect residents and enable them to be resilient

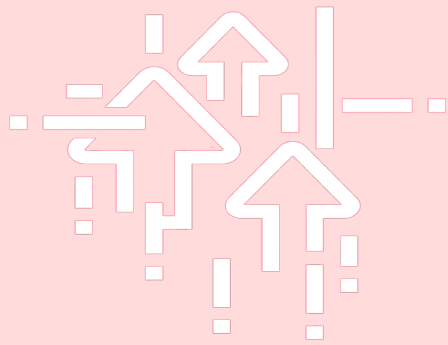

Our Vision

To empower communities to enable self-help and resilience and all organisations working together to ensure the best outcome for our residents

Our Themes

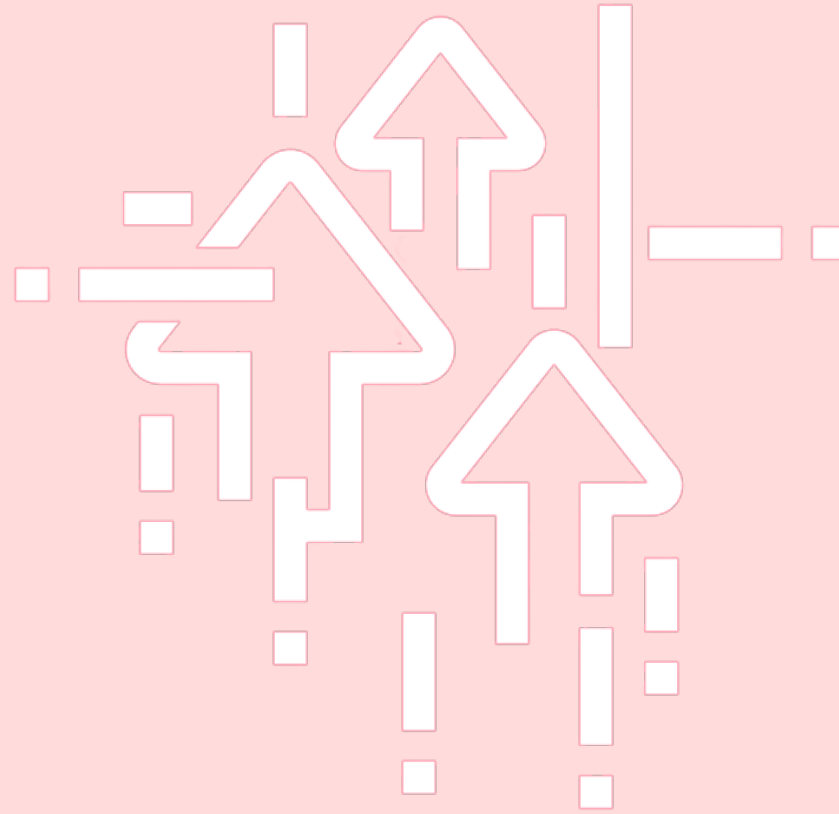

**A dynamic
smart
West**

**A healthy
smart
West**

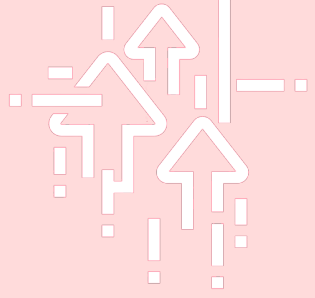

**A vibrant
smart
West**

A dynamic smart

West

we will have:

Improved access to digital support

A healthy smart West

we will have:

Safer and improved green spaces

A scheme of environmental improvements

A map of defibrillators across the West

A project to tackle Anti-Social Behaviour

Improved Community Assets

Improved Cultural and enrichment activities for young people

An improved Social Prescribing offer across the West

A Walk and Talk project

Regular updates on Clean and Green/Rangers projects and consider future options

Regular updates on Environmental Enforcement project

Regular updates on the Youth Activities Projects and consider future options

A vibrant smart

West

we will have:

Support in place to help the VCS to grow their capacity including growing more community groups

A young people access fund

Regular updates on the Stephenson Trail

An evaluation of the West Area Event and consider future delivery

A project to tackle School parking
