

LOCAL GOVERNMENT PENSION SCHEME DISCRETIONS

SCOPE

The discretionary policies set out in this document apply to all employees, who are employed under the terms and conditions of **Sunderland City Council** who are members of the Local Government Pension Scheme

Date of Issue: May 2025

1. Introduction

- 1.1 This document sets out below the discretions to be applied within **Sunderland City Council**.
- 1.2 In formulating and reviewing its policy, **Sunderland City Council** must have regard to the extent to which the exercise of its discretionary powers could lead to serious loss of confidence in the public service.
- 1.3 Whilst this Policy Statement sets out the general position, the Council must consider every application on its merit. Where there are extraordinary or justifiable circumstances, a departure from policy may be appropriate.
- 1.4 Where a discretion would not normally be exercised unless it was in the interest of the Council this could include, but is not limited to, the following considerations:
 - As an aid to recruitment and retention of key employees
 - For reasons of business efficiency
 - Where there are wider financial considerations for the Council (where a cost in one area may unlock savings in another area)
 - To aid in service delivery
 - Where applying the discretion would lead to a better outcome than all alternative courses of action
 - Having due regard to the Council's duty of care to current and former employees
 - Where applying the discretion is necessary to preserve confidence in the public service
 - Where communications were not received (for example, where a form was lost in the post)
 - Where a member was not given information in time to decide
- 1.5 References in the document below refer to the following legislation
 - R = LGPS Regulations 2013 (SI 2013/2356)
 - TP = LGPS (Transitional Provisions, Savings and Amendment) Regulations 2014 (SI 2014/525)
 - A = LGPS (Administration) Regulations 2008 (SI 2008/239)
 - B = LGPS (Benefits, Membership and Contributions) Regulations 2007 (as amended) (SI 2007/1166)
 - T = LGPS (Transitional Provisions) Regulations 2008 (SI 2008/238)
 - L = LGPS Regulations 1997 (as amended) (SI 1997/1612)
 - LGPS Regulation 1995 (SI 1995/1019)

- TL = LGPS (Transitional Provisions) Regulations 1997 (SI 1997/1613)

2. Mandatory Discretions under LGPS 2014

2.1 Scheme employers, participating in the LGPS in England and Wales are required to formulate, publish, and maintain a written statement of policy on certain discretions set out in the Local Government Pension Scheme Regulations.

2.2 Funding of Additional Pension – R16(2)(e) & R16(4)(d)

Employers will determine whether, how much, and in what circumstances to contribute to a Shared Cost Additional Pension Contribution (SCAPC).

Policy

This discretion will normally be exercised for authorised unpaid absence where the employee missed the 30-day deadline, through no fault of their own, to buy additional pension following a period of authorised unpaid leave. In such cases the Council will contribute 2/3rds of the cost on the same basis as the employee.

Otherwise, the Council will not normally establish a Shared Cost Additional Pension Contribution scheme for any of its employees unless there is a clear financial or operational advantage to be gained by so doing. Any amount contributed by the Council would not normally exceed 2/3rds of the cost and would be on the same basis as the employee.

2.3 Flexible Retirement – R30(6) & TP11(2)

Employers will determine whether to permit an application for flexible retirement for an active LGPS member, age 55 or over who, reduces their working hours or grade.

Policy

Any application for flexible retirement will be considered on an individual basis.

- The employee must first make a successful application for a permanent reduction in hours or responsibility (grade) under the Council's flexible working policy.
- If the member is aged between 55 and 60 and qualifies for the "rule of 85" there will be a cost as certain benefits cannot be actuarially reduced. This will apply where age (in whole years) plus scheme membership (in whole years) adds up to 85 or greater.
- If there is no cost to the Council in releasing the pension, then permission would normally be granted.

- If there is a cost to the Council in releasing the pension and this is fully offset, within two years, by the savings under the flexible working request permission would normally be granted.
- If there is a cost to the Council in releasing the pension and this is not fully offset by the savings under the flexible working request permission would normally be withheld unless this was in the interest of the Council.
- If an application was accepted, the Council would not normally agree to waive any actuarial reduction unless it was in the interest of the Council to do so.

2.4 Waiving of actuarial reduction – R30(8)

Employers will determine whether to waive, in whole or in part, actuarial reduction on benefits which a member voluntarily draws before normal pension age other than on the grounds of flexible retirement (where the member only has post 31 March 2014 membership).

- Whether, in addition to the benefits accrued prior to 1 April 2008 (which must be paid), to permit the member to choose to draw:
- All, part, or none of the pension benefits accrued after 31 March 2008 and before 1 April 2014 and/or
- All, part, or none of the pension benefits accrued after 31 March 2014

Policy

This discretion will not normally be exercised unless it was in the interest of the Council to do so.

2.5 Award of Additional Pension – R31

Whether to grant additional pension to an active member or within 6 months of ceasing to be an active member by reason of redundancy or business efficiency (by up to £8,903 p.a. on 1 April 2025 - this figure is increased annually based on inflation).

Policy

The Council will award additional pension actuarially equivalent to the value of any lump sum termination payment foregone by the member (in excess of the statutory redundancy payment) if requested to do so by the member.

Otherwise, this discretion will not normally be exercised unless it was in the interest of the Council to do so.

2.6 Switch back on the 85-year rule – TPSch 2 para 1(2) & 1(1)(c)

Employers will determine whether to switch back on the 85-year rule for members voluntarily retiring on or after age 55 and before age 60.

Policy

This discretion will not normally be exercised unless it was in the interest of the Council to do so.

- 2.7 **Whether to waive any actuarial reduction for a member voluntarily drawing benefits before normal pension age other than on the grounds of flexible retirement (where the member has both pre 1st April 2014 and post 31st March 2014 membership). TP3(1), TPSch 2, para 2(1), B30(5) & B30A(5)**

Policy

This discretion will not normally be exercised unless it was in the interest of the Council to do so.

- a) On compassionate grounds (pre 1st April 2014 membership) and in whole or in part on any grounds (post 31st March 2014 membership) if the member was not in the Scheme before 1st October 2016.

Policy

This discretion will not normally be exercised unless it was in the interest of the Council to do so.

- b) On compassionate grounds (pre 1st April 2014 membership) and in whole or in part on any grounds (post 21st March 2014 membership) if the member was in the scheme before 1st April 2006, will not be 60 by 31st March 2016 and will not attain 60 between 1st April 2016 and the 31st March 2020 inclusive.

Policy

This discretion will not normally be exercised unless it was in the interest of the Council to do so.

- c) On compassionate grounds (pre 1st April 2016 membership) and in whole or in part on any grounds (post 31st March 2016 membership) if the member was in the Scheme before 1st October 2006 and will be 60 by 31st March 2016.

Policy

This discretion will not normally be exercised unless it was in the interest of the Council to do so.

- d) On compassionate grounds (pre 1st April 2020 membership) and in whole or in part on any grounds (post 31st March 2020 membership) if the member was in the Scheme before 1st October 2006 and will not be 60 by 31st March 2016 and will attain 60 between 1st April 2016 and 31st March 2020 inclusive.

Policy

This discretion will not normally be exercised unless it was in the interest of the Council to do so.

3. Optional Discretions under LGPS 2014

- 3.1 There are a number of other discretions, which Scheme employers may exercise under the LGPS Regulations 2013, where a written policy is not required; however, it is appropriate that these are listed to ensure clarity on the employer's stance on these matters.

3.2 **Funding of Additional Voluntary Contributions – R17(1) & definition of SCAVC on RSch 1**

Employers will determine whether, how much, and in what circumstances to contribute to a Shared Cost Additional Voluntary Contribution (SCAVC).

Policy

The Council will pay SCAVC contributions where an employee has elected to pay AVCs by salary sacrifice. The amount of these employer SCAVC contributions will not exceed the amount of salary sacrificed by the employee.

This is a Council discretion which is subject to the employee meeting the Council's conditions for acceptance into the salary sacrifice shared cost AVC scheme and may be withdrawn or changed at any time.

Otherwise, the Council will not normally establish a Shared Cost Additional Voluntary Contribution scheme for any of its employees unless there is a clear financial or operational advantage to be gained by so doing.

3.3 **Permit a late transfer in of previous pension rights – R100(6)**

Employers, with the agreement of the Administering Authority, will determine whether to permit a Scheme member to elect to transfer other pension rights into the LGPS if the member has not made an election within 12 months of joining the Scheme.

Policy

This discretion will not normally be exercised unless it was in the interest of the Council to do so.

3.4 **Permit a late election to retain separate LGPS benefits – R22(7)(b) & R22(8)(b).**

Employers will determine whether to permit an extension to the 12-month time limit within which a Scheme member may elect not to aggregate a previous deferred benefit with their new LGPS employment (or ongoing concurrent LGPS employment).

Policy

This discretion will not normally be exercised unless it was in the interest of the Council to do so

3.5 **Allocation of pension contribution band – R9(1) & R9(3)**

Employers will determine how the pension contribution band to which an employee is to be allocated on joining the Scheme and at each subsequent April will be decided and the circumstances in which the contribution band will be reviewed in the course of a Scheme year

Policy

The contribution rate will be assessed each pay period

3.6 **Calculation of assumed pensionable pay R21(5)**

Employers will determine whether to include the amount of any 'regular lump sum payment', received by the member in the 12-months preceding the commencement of a period of absence or the date at which ill health retirement or death occurred, in the calculation for assumed pensionable pay. A 'regular lump sum payment' is a payment for which the member's employer determines there is a reasonable expectation that such a payment would be paid on a regular basis.

Policy

The Council does not include any "regular lump sum" to determine Assumed Pensionable Pay for periods of absence, except when determining calculations for ill health retirement or death in service when the Council will consider each case on its merits.

In such cases, the primary criteria will be whether it could reasonably be expected that the member would have been likely to receive that regular payment for the foreseeable future.

4. Summary of the discretions to be exercised on and after 1 April 2014 in relation to scheme members (excluding councillor members) who ceased active membership between 1 April 2008 and 31 March 2014

4.1 Scheme employers are required to prepare, publish and review a written policy in relation to: -

4.2 **Whether to "switch on" the 85-year rule for a member voluntarily drawing benefits on or after age 55 and before age 60. TPSch 2, para 1(2) & 1(1)(c)**

Policy

This discretion will not normally be exercised unless it was in the interest of the Council to do so.

4.3 **Whether to waive, on compassionate grounds, the actuarial reduction applied to deferred benefits paid early under B30 (member). B30(5), TPSch 2, para 2(1)**

Policy

This discretion will not normally be exercised unless it was in the interest of the Council to do so .

- 4.4 **Whether to “switch on” the 85 year rule for a pensioner member with deferred benefits voluntarily drawing benefits on or after age 55 and before age 60. TPSch 2, para 1(2) & 1(1)(c)**

Policy

This discretion will not normally be exercised unless it was in the interest of the Council to do so.

- 4.5 **Whether to waive, on compassionate grounds, the actuarial reduction applied to benefits paid early under B30A (pensioner member with deferred benefits). B30A(5), TPSch 2, para 2(1)**

Policy

This discretion will not normally be exercised unless it was in the interest of the Council to do so.

- 4.6 **Early payment of suspended tier 3 ill health pension – B31(7).**

Employers will determine whether a suspended ill health tier 3 member is permanently incapable of undertaking any gainful employment.

Policy

The Council will determine this in line with the medical assessment as stated on the ill health certificate

5. Summary of the discretions to be exercised on and after 1 April 2014 in relation to active councillor members, councillor members who ceased active membership on or after 1 April 1998 and any other scheme members who ceased active membership between 1 April 1998 and 31 March 2008

- 5.1 Scheme employers are required to prepare and keep under review a written policy in relation to: -

5.2 Early payment of pension benefits – 31(2)

Employers will determine whether to grant applications for the early payment of pension benefits on or after age 50 and before age 55.

Policy

The Council will consider each case on its merits, having regard to the facts of the particular case. This discretion will not normally be exercised unless it was in the interest of the Council to do so.

5.3 Waive actuarial reduction on compassionate grounds – 31(5) & TPSch2 Para 2(1).

Employers will determine whether to waive, on compassionate grounds, the actuarial reduction applied to deferred benefits paid early.

Policy

The Council will consider each case on its merits, having regard to the facts of the particular case. This discretion will not normally be exercised unless it was in the interest of the Council to do so.

- 5.4 **Whether to “switch on” the 85-year rule for a member with deferred benefits voluntarily drawing benefits on or after age 55 and before age 60. TPSch 2, para 1(2) & 1(1)(f) & R60**

Policy

This discretion will not normally be exercised unless it was in the interest of the Council to do so.

6. Summary of the discretions to be exercised on and after 1 April 2014 in relation to scheme members who ceased active membership before 1 April 1998

- 6.1 Scheme employers are recommended to formulate, publish and keep under review a statement of policy in relation to: -
- 6.2 **Early payment of deferred pension benefits – TP3(5A)(vi), TL4, L106(1) & D11(2)(c)**

Grant application for early payment of deferred benefits on or after age 50 on compassionate grounds. Although the common provisions of the 1997 Transitional provisions regulations do not specify regulation D11 (2)(c), their intention was that it should apply to this regulation.

Policy

This discretion will not normally be exercised unless it was in the interest of the Council to do so.

7. Summary of the discretions to be exercised under the Local Government (Early Termination of Employment) (Discretionary Compensation) (England and Wales) Regulations 2006

- 7.1 Scheme employers are required to formulate, publish, and keep under review a statement of policy on two discretions under the above regulations and must be satisfied that the policy is workable, affordable, and reasonable having regard to the foreseeable costs.

The Council publishes, and keeps under review, a separate policy statement on the Discretionary Compensation Regulations. For convenience this is summarised below.

For the avoidance of doubt this does not replace the Council's Policy Statement on the Discretionary Compensation Regulations which will take precedence in any conflict.

The Council's Policy Statement on the Discretionary Compensation Regulations also contains details of the scheme of authority for the exercise of these discretions.

7.2 Calculation of Redundancy Payment – 5

Employers will determine whether to base a redundancy payment on an employee's actual week's pay where it exceeds the statutory weeks' pay limit.

Policy

The Council will calculate redundancy payments based on an actual weeks' pay. The statutory weekly pay limit will therefore be disregarded in this respect.

7.3 Make a termination payment – 6

To award lump sum compensation of up to 104 week's pay in cases of redundancy, termination of employment on efficiency grounds, or cessation of a joint appointment.

Policy

The Council reserves the right to exercise this discretion in exceptional cases where, in the efficient exercise of its functions, it is considered to be in the best interests of the Council to pay a compensation payment to an employee upon termination of their employment. The exercise of this discretion will be considered on a case-by-case basis according to their individual merits.

In the event that an employee has already received a redundancy payment and a decision is taken to pay an additional lump sum compensation payment, the redundancy payment will be taken into account when calculating the compensation payment, so that the total payment will not exceed 104 weeks' pay.

8. Summary of the discretions to be exercised under the Local Government (Early Termination of Employment) (Discretionary Compensation) (England and Wales) Regulations 2000

8.1 Although the 2000 Compensation Regulations have been revoked, they still apply to any Compensatory Added Years previously awarded by a Scheme employer before 1 April 2007.

How it will decide to whom any children's annual compensatory added years payments are to be paid where children's pensions are not payable under the

LGPS (because the employee had not joined the LGPS) and, in such a case, how the annual added years will be apportioned amongst the eligible children.

Policy

The Council will consider each case on its merits, having regard to the facts of the particular case. This discretion will not normally be exercised unless it was in the interest of the Council to do so.

8.4 Apportionment of annual compensatory added years - 21 (4)

Employers will determine how any surviving spouses or civil partner's annual compensatory added years is to be apportioned where the deceased is survived by more than one spouse or civil partner.

Employers will determine whether the annual compensatory added years, paid to a spouse of a person who ceased employment before 1 April 1998, will continue to be paid if they remarry, enter into a civil partnership, or cohabit after 1 April 1998.

Policy

The Council will consider each case on its merits, having regard to the facts of the particular case. This discretion will not normally be exercised unless it was in the interest of the Council to do so.

- 8.6** If, under the proceeding decision, the Council's policy is to apply the normal suspension rules, whether the spouses or civil partners annual compensatory added year's payment should be re-instated after the end of the re-marriage, new civil partnership, or co-habitation. – 21(5)

Policy

The Council will consider each case on its merits, having regard to the facts of the particular case. This discretion will not normally be exercised unless it was in the interest of the Council to do so.

should be disapplied i.e. whether the spouses or civil partners' annual CAY payments should continue to be paid to both of them. – 21(7)

Policy

The Council will consider each case on its merits, having regard to the facts of the particular case. This discretion will not normally be exercised unless it was in the interest of the Council to do so.
