

**International Advanced Manufacturing Park Area Action Plan  
Main Modifications Consultation Response Form**

**Please use this form if you wish to support or object to the Main Modifications to the draft International Advanced Manufacturing Park Area Action Plan**

**This form has two parts:**

Part A – Personal Details

Part B – Your Representations

**If your comments relate to more than one Main Modification you will need to complete a separate Part B of this form for each representation.**

Hard copies of this form can be obtained from the main offices of Sunderland City Council and South Tyneside Council (“the Councils”) or the places where the Main Modifications have been made available (see below). You can also respond online using the Councils’ shared examination website [www.sunderland.gov.uk/IAMPEIP](http://www.sunderland.gov.uk/IAMPEIP) or via e-mail (see below).

Please provide your contact details so that we can get in touch with you regarding your representation(s) if necessary. Your comments (including name) cannot be treated as confidential because the Councils are required to make them available for public inspection. If your address details change, please inform us in writing. You may withdraw your objection at any time by writing to the Councils, address below.

All forms should be returned by 30 October 2017.

<b>Main Modification Number</b>	<b>MM</b>

5. Please provide comments below either in support of, or in objection to, the proposed Main Modifications (or updated Sustainability Appraisal). Please be as precise as possible (identifying each relevant MM reference number).

6. Please set out what change(s), if any, you consider necessary to improve the Main Modifications (or updated Sustainability Appraisal) in terms of any issues of soundness and/or legal compliance **only**. It will be helpful if you are able to put forward suggested revised wording for any policy or text and provide your reasoning. Please be as precise as possible.

7. Declaration

I understand that all comments submitted will be considered in line with this consultation, and that my comments will be made publically available and may be identifiable to my name / organisation.

**Signed:** \_\_\_\_\_

**Dated:** \_\_\_\_\_

Please note that all comments and responses on the IAMP Area Action Plan are in the public domain and confidential / anonymous comments cannot be considered. The information received will be held on a database and used to assist with the preparation of the Local Plan and with the consideration of planning applications in accordance with the Data Protection Act 1998.

1. The IAMP Area Action Plan is being examined by an independent Planning Inspector (Malcolm Rivett) whose role is to assess whether the plan has been prepared in accordance with the Duty to Co-operate, legal and procedural requirements and whether it is sound.
2. The purpose of this document is to identify Main Modifications to the IAMP Area Action Plan that have arisen during the ongoing examination process and undertake public consultation on them. These Main Modifications are specific changes to the Plan that the Inspector considers are necessary to ensure the final version is sound.
3. **This consultation is not an opportunity to raise matters that either were, or could have been, part of the earlier representations or hearings on the submitted draft Plan. Given the complexity of the Local Plan process and the length of time taken to get to this stage, several aspects of the current consultation have also been the subject of prior consultations. Notwithstanding this, it is not necessary for you to repeat previous representations or comments, as the Inspector is very familiar with the issues around the emerging plan and has access to your previous responses.**
4. The Main Modifications are proposed by the Inspector under section 20(7C) of the Planning and Compulsory Purchase Act 2004:  
*“(7C)If asked to do so by the local planning authority, the person appointed to carry out the examination must recommend modifications of the document that would make it one that: -  
a) satisfies the requirements mentioned in subsection (5)(a), and  
b) is sound.”*
5. Comments on the way in which the Main Modifications have been prepared are likely to relate to “legal compliance”. If it is the actual content of the Main Modifications that is commented on, it is likely this will relate to the “soundness” of the document.
6. The Inspector is seeking comments on the Main Modifications only through the medium of a public consultation process, to run for six weeks between 18 September and 30 October 2017.
7. Comments should be confined to the Main Modifications and corresponding Sustainability Appraisal as published. Any comments that attempt to raise or address previous issues will not be considered by the Inspector.
8. Following the close of the consultation, representations received in response to the Main Modifications will be collated by the Programme Officer and forwarded to the Inspector. The Inspector will consider all the valid responses made to this consultation, together with those made at previous stages and will present his recommendations in a report. He may also feel it necessary to hold a further examination hearing to discuss any points raised.
9. The Councils will not comment on or respond to the representations received. Responses to the Main Modifications are for the Inspector to consider.
10. All submission documents, including the Sustainability Appraisal, are available to view on the website at: [www.sunderland.gov.uk/IAMPEIP](http://www.sunderland.gov.uk/IAMPEIP)
11. Please note the following:
  - a) Representations may be submitted by post or e-mail but must be in writing.
  - b) Representations may be accompanied by a request to be notified at a specified address of the adoption of the IAMP Area Action Plan.

- c) If you do require this notification, please remember to specify this on the form and provide a contact address.
