# Children/young people with special educational needs

Many children have special educational needs at some point. Most of these children have their needs met in school through SEN support as part of a graduated response – assess, plan, do, review. The processes and procedures described throughout this booklet apply to these children as well as those without special educational needs.

For those children with significant special educational needs, the process of assessing those needs changed from 1 September 2014, as a result of Part 3 of the Children & Families Act 2014.

As part of the Reform, the Local Authority will publish a 'Local Offer' which will set out in one place and publish clear, comprehensive and accessible information on a website about provision they expect to be available across education, health and social care for your child or young person. There is a requirement for each school or educational setting to also publish on their website an SEN information report, detailing how they will meet the needs of children and young people with special educational needs and/or a disability.

If your child or young person has an Education, Health and Care Plan there will have been an annual review meeting held when your child was in Year 5, which will have made a recommendation about the type of secondary school that will be appropriate. You **must** either apply online or request an application form to ensure that the Local Authority is aware of your school preference.

In the year that your child or young person is due to transfer school, the Local Authority will issue an Education, Health and Care Plan by 15 February in that year. As far as is practicable, and appropriate to your child or young person's special educational needs, the Local Authority will try to meet your preference regarding placement but this may not always be possible. However, this early notification will enable you to approach the Information, Advice & Support Service, use the mediation service that is available, or go through the appeal process, if necessary, so that a final decision regarding placement can be made at an early stage. Any appeal for a child or young person with a Education, Health and Care Plan will be to the Special Educational Needs and Disability Tribunal Service, rather than through the normal admissions appeal procedure. Details of how to contact the Information, Advice & Support Service, the mediation service or the appeal will be provided when you are sent the Education, Health and Care Plan.

# Introduction

Choosing a school for your child is one of the most important decisions you will make as a parent/carer. The Local Authority (LA) provides places at all community schools and is there to help parents understand and be successful in the process.

This booklet provides important information about the transfer of your child from junior/primary to secondary school. There is also a copy of the timetable for the process, which you may find useful to refer to (page 8).

The information provided was correct at the time of publication, but there may be changes affecting arrangements before and during the 2022/2023 school year.

If, after reading this booklet, you have any further questions about admission arrangements please contact:

**DO** read the information in this booklet very carefully before completing your application.

**DO** contact the School Admissions Team if there is anything in the booklet that you do not understand.

**DO** apply for more than one school on your application. This will not reduce your chances of being offered a place at your first preference school.

**DO** complete an application even if your child is attending a cluster primary school.

**DO** complete an application even if you have an older child already attending the school.

**DO** apply online, if at all possible. As once your application has been submitted, you will receive an acknowledgement by return. **You must remember your username and password to log back into your application and confirm whether a place has been offered.**

**OR**

**DO** hand deliver your application to the office at your child's current school (if it is within Sunderland Local Authority) or to any of the council's Customer Service Centres and a receipt will be issued. If you are not given a receipt, please ask for one as this is your proof that it has been handed in.

**OR**

**DO** post your application to the School Admissions Team. Please ensure that, if you choose this option, you use the correct postage for the size and weight of the envelope.

**DO** ensure that your application is submitted by the end of the preference period.

**DO** complete the relevant part of the application, if you are applying for a place at a Roman Catholic school.

**DON'T** apply to Sunderland City Council if you live outside of Sunderland, even if the school(s) that you are applying to is/are in Sunderland. You must apply to your 'home' Local Authority.

**DON'T** leave the responsibility of submitting this application to your child.

# What kind of secondary schools are there in Sunderland?

There are six different types of secondary schools serving approximately 14,500 pupils:

The LA sets the admission criteria and offers places for Hetton School. This school provides for girls and boys aged 11-16 and is a comprehensive school, which means that children can be admitted regardless of aptitude or ability.

## **Three Voluntary Aided (Roman Catholic) Academies**

The governing body for each school sets the admission criteria and allocates places. St Anthony's Girls' Catholic Academy provides for girls aged 11-18, St Aidan's Catholic Academy provides for boys aged 11-18 and St Robert of Newminster RC School provides for both boys and girls aged 11-18. All schools are comprehensive, which means that children can be admitted regardless of aptitude or ability.

## **One Voluntary Aided (Church of England) Academy**

The governing body sets the admission criteria and allocates places. The Venerable Bede Church of England Academy provides for both boys and girls aged 11-16. The school is comprehensive, which means that children can be admitted regardless of aptitude or ability.

## **16 Academies (includes Three Voluntary Aided Schools)**

Academy 360 and Christ's College provides for girls and boys ages 4-16. Biddick Academy, Castle View Enterprise Academy, Farringdon Community Academy, Kepier Academy, Monkwearmouth Academy, Oxclose Community Academy, Red House Academy, Sandhill View Academy, Southmoor Academy, Thornhill Academy and Washington Academy provide for girls and boys aged 11-16. The Trust Boards set the admission criteria and allocate places. All of the Academies are comprehensive, which means that children can be admitted regardless of aptitude or ability.

# How to apply for a secondary school place

## 1. At what age should my child transfer to secondary school?

Normally, your child will change school when they are 11 years old (for September 2022 admission, that would be those children born between 1 September 2010 and 31 August 2011).

## 2. Can my child only move at this stage?

It is normal practice for your child to move at this age. Sometimes a request is made for a child to move to secondary school a year earlier, if it is felt to be appropriate. An application would need to be completed by parents requesting a secondary school place. Advice would be sought from the child's current school and School Improvement Officers, who would need to confirm that the child would be sufficiently mature and academically able to move at that stage. **It is only possible for parents to state a preference for a school, not to choose which school.**

It is possible for a child to be held back in primary school and not move into secondary with their current peer group. Advice would be sought from the child's current school and the School Improvement Service. If it was agreed that it was not appropriate for the child to move at that stage, then it may be possible for them to stay in primary school.

**Any decision that is made about moving a child either a year earlier or later, would always be carried out in the best interests of the child.**

## 3. How should I decide which school to apply for?

You will probably already have an idea of some of the things about a school, which are going to be important to you and your child. You may have spoken to other parents/carers with children already attending the school.

Their views and ideas may be helpful but do not just rely on these. Any decision as important as selecting your child's school should always be based upon your own judgement. **Do not base your decision on other people's opinions – you will want to make the decision for your child.**

#### 4. How can I find out more information about schools?

Find out as much as possible about what each individual school has to offer. You should go to open evenings and read the school prospectus, before making your decision. The prospectus will have information about the school including its aims, curriculum and achievements.

Information about the National Curriculum assessment of the pupils at the end of each Key Stage and Ofsted inspection reports can be found on our website at [www.sunderland.gov.uk/school-admissions](http://www.sunderland.gov.uk/school-admissions)

#### 5. Can I visit schools?

If it has not already done so, your child's cluster secondary school will contact you to invite you to visit. If you are considering expressing a preference for other schools, you can contact your preferred school(s) to make arrangements to visit. **A visit to a school does not constitute an offer of a place, nor does it give priority for places. Parents should not assume that an offer of a visit by a school constitutes any obligation on the part of the school or the LA.**

Details of the open evenings for each school/academy are outlined on page 13.

#### 6. Do I have a choice of which school I can send my child to?

You do not have a right to choose which school your child will go to, **you only have a right to express a preference.**

Our ability to meet your preference will depend upon not only the demand for places at an individual school but also on the number of places available.

#### 7. How many children are admitted to each school each year?

Each year, the LA publishes an admission number for each school. This is the number of pupils that the LA intends to offer a place to in each school during the next school year.

Details of the **Published Admission Number**, often referred to as the '**PAN**' for short, for each school/academy are outlined on pages 11-12.

Information about the number of pupils that have been admitted to each school in the last two years is outlined later in this booklet (see pages 77–84).

## 8. How do I express a preference for a place for my child?

**It is possible to apply online. In order to do this, go to [www.sunderland.gov.uk/admissionsonline](http://www.sunderland.gov.uk/admissionsonline) and complete your application. You can do this either at home or alternatively at any of the council's Customer Service Centres, libraries and schools. If you apply online, you will receive an email receipt by return.**

It is only possible to apply online by this website or complete this application form if you live in Sunderland (i.e. pay your Council Tax to Sunderland City Council).

An application enables you to express up to three preferences for secondary schools.

**If you wish to name only one school, you can do so. If you do not name a second preference school, it will not increase your chances of being offered a place at your first choice school and it could possibly mean that you do not gain a place at another school that you may wish to consider. Similarly repeating the name of one school on your application will not improve your chances of being allocated a place.**

If you wish to apply for a place for your child in a Voluntary Aided school, Academy, or a school outside of Sunderland, you must include them on the application in the order that you would like them to be considered. **If you are applying for a place in a Catholic school, you must also complete the relevant part of the application. You must either include a copy of your child's Baptism certificate and/or a letter of support with your application, if required by the school(s), or alternatively forward it directly to the School Admissions Team.**

Preferences for the Voluntary Aided schools and Academies will be forwarded to the individual governing body/Trust Board for consideration, in line with their admission policy.

Preferences for schools outside of Sunderland will be forwarded to the relevant LA for consideration, in line with their admission policy.

The application form is also available at any of the Council's Customer Service Centres or by calling 0191 520 5553.

## 9. Can I apply online?

**Yes.** If you are a resident of Sunderland, all you need is access to the internet and you can gain all the benefits of making your application online.

Log-on to [www.sunderland.gov.uk/admissionsonline](http://www.sunderland.gov.uk/admissionsonline) and you will find the online application form. This will be available from **13 September 2021 until 31 October 2021.**

The online facility will enable you to make your application and then send it to the School Admissions Team. You will receive confirmation that your application has been received. Even after you have made your application, you will be able to come back and make amendments at any time up until the deadline date of 31 October 2021. However, if you do this, you **must** re-submit your application each time.

When you log onto the online system, you will need to create a username and password if you have not previously applied. **Make a note of your username and password, as you will need to use the online system again to confirm where your child has been allocated a place.**

Please remember after you have completed your online application, you must submit it by clicking on 'submit application'. The screen will provide a summary of your application and you will also receive a confirmation email (if you have provided an email address).

## 10. What are the benefits of applying online?

- Clear, simple step-by-step instructions
- It is quick, safe and secure
- You can apply either at home, Sunderland City Council Customer Services Centres, libraries or schools
- No risk of the application getting lost in the post
- You can view your application online at any time
- You will receive a confirmation email that the application has been received
- You can easily change your application at any time before the deadline date
- You will receive an email on 1 March 2022 informing you to log back into your online account to find out whether your child has been offered a place

## 11. When do I need to apply?

Please remember that you must complete an application for a school place, as there is no guarantee of a place for any child. You must complete an application even if your child may be attending a cluster primary or you have older children already attending the school. You must either apply online or complete an application form and return it to your child's current school, to any of the council's Customer Service Centres or directly to the School Admissions Team at the address at the front of this booklet. It is the responsibility of parents to ensure that the application form is received at the school, or any of the council's Customer Service Centres. Please do not leave this responsibility with your child.

The preference period lasts for seven weeks, from 13 September 2021 to 31 October 2021. Therefore your application needs to be returned to either your child's current school or to any of the council's Customer Service Centres or to the School Admissions Team at the address at the front of the booklet, **by 31 October 2021**. The School Admissions Team will only acknowledge applications that have not been issued with a receipt by the school or Customer Service Centres. However this may not be until after the end of the preference period. Therefore please make sure that you are given a receipt when you hand in your application form.

If your application is received after 31 October 2021, it **will** be considered as 'late' and this may reduce your chance of getting a place at your first choice school. Late applications (received between 1 November 2021 and 6 January 2022) will only be considered after those that are received on time, unless there is a genuine reason. Examples of genuine reasons would be a family moving into the area or returning from abroad; a lone parent that has been ill for some time or has been dealing with the death of a close relative; a change of circumstances for a 'looked after' child. Please note that the genuine reason must be explained on the application and if you would like your application to be considered as such.

If your application is received or an existing application is changed after 6 January 2022, it **will** be considered **after** all other applications received.

**Most parents who were refused a place last year were as a result of applying late. We do not keep places back for late applicants who attend cluster junior/primary or already have an older child or children attending the preferred school.**

If you change address after you have submitted your application, the School Admissions Team must be notified. If this notification is received before 6 January 2022, it will be considered during the allocation process.

Schools and Academies in Sunderland use distance between a child's home address and the school(s) they are applying for a place at when allocating places at schools that are oversubscribed. Therefore the address you provide as part of your application **must** be your child's permanent home address. If you change your address after submitting your application, you **must** inform the School Admissions Team at Sunderland City Council as soon as possible as this could affect your application. It is only possible to consider the address where you are living during the application period. Should your address change during the preference period and the School Admissions Team are not informed, this could result in an offer of a school place being withdrawn if inaccurate information is used to allocate the place.

## 12. What do I need to consider when I am completing the application?

The address of the person with parental responsibility is used to determine the school at which a child is offered a place. The addresses of child minders or other family members who may help with childcare cannot be considered. **The LA or individual governing bodies reserve the right to seek proof of address and withdraw an offer of a place made on the basis of a false address having been given.**

Where there is shared parental responsibility for a child, parents should agree who is the parent with main responsibility before filling in the application.

Where parents have twins or triplets and only one place is available, the parent will be notified in writing and the decision will lie with the parent as to whether they take up the school place. However, where parents do not take up the school place, the place will be offered to the next child on the waiting list.

In respect of admissions for September 2022, Sunderland LA will operate an 'equal preference' system. All Community and Voluntary Aided Schools and Academies will consider all preferences equally. This means that all applications will be considered against the school/academy's admission criteria, no matter whether they are 1st, 2nd or 3rd preferences.

When you are completing your application, you need to consider very carefully which schools you wish to apply for and only list schools that you would like to be considered. Statistics from the last two years are outlined at the end of this booklet. This will show you which schools are normally oversubscribed, i.e. where we receive more applications than places available.

If you are considering applying for a place in a Voluntary Aided school or Academy, you should consult the admission criteria for that particular school outlined later in this booklet.

If you are considering applying for a place in a school outside of Sunderland, you should contact the LA that the school is situated in for information about their admission criteria. The contact numbers for the neighbouring LAs are as follows:

Durham	03000 265 896
Gateshead	0191 433 2757 or 433 2756
South Tyneside	0191 424 7706 or 424 7767

## 13. What happens after I have submitted my application ?

If you complete a paper application, you should return it either to your child's current junior/primary school (if this is within the city of Sunderland), to any of the council's Customer Service Centres or to the School Admissions Team.

After the end of the preference period (31 October 2021), all applications that have been received will be considered.

All applications that have been received for Voluntary Aided schools and Academies will be forwarded to the governing body or Trust Board of each school or Academy for consideration against their own admission criteria. (Details of the admission policies start from page 26).

Any applications for schools outside of Sunderland will be forwarded to the LA in which the school is situated for consideration against their own admission criteria.

At the first stage, all applications for a particular school/academy will be considered against the admission criteria no matter whether they are 1st, 2nd or 3rd preferences.

A list would then be prepared for each school/academy sorted by criteria order, up to the number of places available (PAN) and then a potential waiting list.

All applications would then be moved to the second stage.

- If parents could be offered more than one school place, a place would only be offered at the highest ranked school on the applications.
- Therefore if there was the potential that a place could be offered at the 1st & 2nd school, a place would only be offered at the 1st preference school
- Alternatively if a place could be offered at the 2nd and 3rd school, a place would only be offered at the 2nd preference school
- If it is not possible to offer a place at any of the schools on the application, a place will be offered at the nearest school with a vacancy. Places will be offered on the basis of distance from the centre of the home address to the main entrance of the school with priority being given to those living closest to the school. Distance is measured by the shortest safest walking distance, using a geographical information system (GIS). This uses Ordnance Survey maps and Land & Property Gazetteer (LLPG), which provides co-ordinates for every dwelling.

#### **14. What happens if I want to change the school that I have applied for?**

Once your application has been returned, it is possible to change the school/academy that you would like to apply to during the preference period. Therefore until 31 October 2021, it is possible to change the school.

However after that date and until 6 January 2022, it is only possible to change the preferred schools for a genuine reason, e.g. family have moved address and the original school is no longer appropriate. If the change is received after 31 October 2021 and not for a genuine reason, it will mean that your application will be 'late' and considered after all of the applications received 'on time'.

## 15. When will I know whether my child has a place?

If you made a paper application, letters will be posted out 2nd class on 1 March 2022. If you apply online you will find out about your school place quicker, via your online account on 1 March 2022.

If it has not been possible to offer a place at any of the schools on your application, a letter will be sent to you with the following information, where necessary:

- The reasons why the child is not being offered a place at any of the higher ranked schools listed on the application form;
- Information about the statutory right of appeal against the decisions to refuse places at the other nominated schools;
- Contact details for the Voluntary Aided schools and Academies and/or other LA(s) where a place has not been offered, in case you wish to lodge an appeal.

## 16. I have been offered a school place for my child, what do I do now?

If you have been offered a school place for your child, you will need to confirm your acceptance of the place. If you applied online, you can accept via your online account. If you completed a paper application, you will have been sent an acceptance form. You will need to complete this form and return it to the School Admissions Team, indicating whether you wish to accept the place that has been offered.

## 17. Can my child's name still be considered if any places arise after the allocation process?

**Yes.** If you have been unsuccessful in gaining a place in one of your higher nominated schools, your child's name will be placed on the waiting list. After places have been offered up to the school's PAN, a waiting list will be established using the admission criteria.

Please note that your child's position on the waiting list **will** change if any late applications are received that meet a higher criterion.

If any vacancies arise, places will be offered from the waiting list. The waiting list will be in place until 31 December 2021, in case any vacancies arise.

### **18. Can I accept a place at my second preference school and still appeal for a place at my first preference?**

**Yes.** It is possible to accept a place at any lower ranked school that you have been offered a place at and still appeal for any higher ranked schools. This does not affect your right of appeal and will have no bearing on any appeal hearing decision.

### **19. What happens if I do not complete an application?**

If an application for a secondary school place is not received for your child, a place will not be allocated. Therefore, this will greatly reduce your chance of getting a place in the school of your choice. **It is essential that you complete an application, in order to try and secure a place.**

### **20. My child is going to private school, do I still need to complete an application?**

**Yes** – there is a space on the application where you can confirm this information. If you do not inform the School Admissions Team that your child is going to a private school, it may be necessary to contact you again. The LA has a duty to ensure that all children are attending school.

### **21. I want to apply for a place in a school outside of Sunderland, is their admission criteria the same as Sunderland's?**

**No** – if you wish to apply for a place in a school outside of Sunderland, you need to contact the LA where the school is situated for advice. The contact details for neighbouring LAs are outlined on page 18. **You must still complete a Sunderland application and include all schools that you would like to apply for a place at.**

### **22. Which secondary school is my child's primary school clustered with?**

**Academy 360** – Highfield Academy and South Hylton Primary Academy.

**Biddick Academy** – Biddick, John F Kennedy and Rickleton Primary Schools. Barnwell Academy, Fatfield Academy Inspires and New Penshaw Academy.

**Castle View Enterprise Academy** – Bexhill Academy and Town End Academy, Castletown and Hylton Castle Primary Schools.

**Farringdon Community Academy** – East Herrington Primary Academy, Farringdon Academy and Mill Hill Primary School.

**Monkwearmouth Academy** – Dame Dorothy, Grange Park and Seaburn Dene Primary Schools, Fulwell Junior School and Redby Primary Academy.

**Oxclose Community Academy** – Blackfell, George Washington, Lambton and Springwell Village Primary Schools and Holley Park Academy and Oxclose Primary Academy.

**Red House Academy** – Northern Saints VA CE Primary School, and Southwick and Willow Fields Community Primary Schools.

**Sandhill View Academy** – Broadway Junior, Thorney Close Primary School and Hasting Hill Academy and Plains Farm Academy.

**Southmoor Academy** – Grangetown and Valley Road Primary Schools, together with Hill View Junior Academy.

**Thornhill Academy** – Barnes and Diamond Hall Junior Schools, and Hudson Road and Richard Avenue Primary Schools.

**Venerable Bede CE Academy** – Benedict Biscop CE Academy and St Paul's CE Primary School, New Silksworth Academy Junior and Ryhope Junior School.

**Washington Academy** – Albany Village, Barmston Village, Marlborough, Usworth Colliery and Wessington Primary Schools.

### **23. My child attends one of the cluster primary schools, does this guarantee a place in the secondary school?**

**No** – although attendance at the cluster primary school is one of the higher criteria, you do not have a guaranteed place. Do not assume that your child will be allocated a place at the feeder secondary school if you do not include it on your application. **This will not happen and will reduce your chance of securing a place.** The statistics for September 2020 and 2021 admissions are detailed later in this booklet (see page 77). This explains where it was possible to offer places to everyone that applied and also where schools were oversubscribed.

### **24. I want to apply for a place in a Voluntary Aided school or Academy, is their admission criteria the same?**

**No** – the governing body of each Voluntary Aided school and Academy is responsible for their own admission policy and criteria. If you are considering applying for a place in a Voluntary Aided school or Academy for your child, you should consult their criteria outlined on pages 26-68.

# Admissions Criteria for Hetton School

The LA is responsible for the admission criteria for all Community schools. As a result of a review, from September 2003, the council's Cabinet agreed that the catchment system should be stopped and replaced by a cluster system. A cluster is a group of primary schools (including infant and junior schools) which feed into a single secondary school. All Community secondary schools and some Academies now have cluster primary schools. Details of the cluster primary schools for each secondary school are listed on pages 22-23.

### The admission criteria for Hetton School is as follows:

- (i) **'Cared for' or 'Looked after' child** – a child that is 'cared for' or 'looked-after' by a Local Authority, in accordance with Section 22 of the Children's Act 1989(b) and a child who was 'cared for' or 'looked after', but ceased to be so, because of adoption (or become subject to a Child Arrangements Order, Residence Order or Special Guardianship Order immediately after being 'cared for' or 'looked after') and **'Looked-after' child who appears to the Admission Authority to have been in state care outside of England and ceased to be in state care as result of being adopted** – a child regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.
- (ii) **Attendance in Key Stage 2 (age 7-10+) at a designated cluster junior or primary school.**
- (iii) **A sibling link** – an older brother/sister or older child (including adoptive or step-children) that shares the same parent/carer and lives at the same address, who will still be attending the preferred school at the time of admission.
- (iv) **Exceptional medical or psychological reasons** (you must include a medical or psychological report, prepared by a professional, to confirm information which you include in this section. This report should explain why **only** this school can meet your child's medical or psychological needs. Common childhood medical conditions such as asthma or giving a child's nervousness at starting a new school as a psychological reason for choosing a particular school are unlikely to be accepted as exceptional.) If you intend to use this criterion when expressing a preference, please contact the School Admissions Team before completing the application form. (Eligibility under this category will be considered by a meeting of Senior LA Officers).
- (v) **Pupils for whom preferences are expressed on grounds other than those outlined above.**

**Within each of the above categories, places will be offered on the basis of distance from the centre of the home to the main entrance of the school with priority being given to those living closest to the school. Distance is measured by the shortest safest walking distance, using a Geographical Information System (GIS) This uses Ordnance Survey maps and Local Land & Property Gazetteer (LLPG), which provides co-ordinates for every dwelling.**

**Where a pupil has an Education, Health and Care Plan naming a school, a place will be offered at that school (subject to confirmation by the SEN Unit).**

**Parents who are refused a place have a statutory right of appeal. Further details of the appeals process will be included with the notification letter (and are outlined on pages 78-80) but are also available from [www.sunderland.gov.uk/schools-appeals](http://www.sunderland.gov.uk/schools-appeals)**

## 1. Aims

This policy aims to:

- Explain how to apply for a place at the school
- Set out the school's arrangements for allocating places to the pupils who apply
- Explain how to appeal against a decision not to offer your child a place

## 2. Legislation and statutory requirements

This policy is based on the following advice from the Department for Education (DfE):

- School Admissions Code
- School Admission Appeals Code

As an academy, the school is required by its funding agreement to comply with these codes, and with the law relating to admissions as set out in the School Standards and Framework Act 1998.

## 3. Definitions

The normal admissions round is the period during which parents can apply for state-funded school places at the school's normal point of entry, using the common application form provided by their home local authority.

Looked after children are children who, at the time of making an application to a school, are: In the care of a local authority, or

Being provided with accommodation by a local authority in exercise of its social services functions  
Previously looked after children are children who were looked after, but ceased to be so because they:  
Were adopted under the Adoption Act 1976 or the Adoption and Children Act 2002, or

Became subject to a child arrangements order, or Became subject to a special guardianship order.

## 4. How to apply

For applications in the normal admissions round you should use the application form provided by your home local authority (regardless of which local authority the schools are in). You can use this form to express your preference for a minimum of 3 state-funded schools, in rank order.

You will receive an offer for a school place directly from your local authority.

## 5. Allocation of places

### 5.1 Admission number

The school has an agreed admission number of 224 pupils for entry in Year 7 for September 2021 and September 2022.

### 5.2 Oversubscription criteria

All children whose statement of special educational needs (SEN) or education, health and care (EHC) plan names the school, will be admitted before any other places are allocated.

If the school is not oversubscribed, all applicants will be offered a place.

In the event that the school receives more applications than the number of places it has available, places will be given to those children who meet any of the criteria set out below in order until all places are filled.

1. **A 'Looked-after' child who was previously looked after but immediately after being looked after became subject to an adoption, residency/child arrangement or special guardianship order** – a child that is looked- after' by a Local Authority in accordance with Section 22(1) of the Children's Act 1989 and a child who was looked after, but ceased to be so, because of adoption (or become subject to a child arrangements order, residence order or special guardianship order) and a 'Looked-after' child who appears to the Admission Authority to have been in state care outside of England and ceased to be in state care as result of being adopted – a child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society

This report should explain why only this Academy can meet your child's medical or psychological needs. Common childhood medical conditions such as asthma or giving a child's nervousness at starting new school as a psychological reason for choosing a particular school/academy are unlikely to be accepted as exceptional. If you intend to use this criterion when expressing a preference, please contact the School Admissions Team before completing the application form. (Eligibility under this category will be considered by a meeting of Senior LA Officers).

**5. Pupils for whom preferences are expressed on grounds other than those outlined above.**

Within each of the above, places will be offered on the basis of distance from the centre of the home address to the main entrance of the Academy with priority being given to those living closest to the Academy. Distance is measured by the shortest safest walking distance, using a geographical information system (GIS).

At the first stage of allocations there will be no distinction between 1st, 2nd, 3rd etc. preference applications. Therefore, all applications will be considered equally against the admission criteria and at the same time.

In determining allocations, priority will be given to those applications where the parental preference is received by the published deadline date.

Where it is not possible to offer a place at the Academy, the child will be placed on a waiting list. The waiting list is sorted using the admission criteria and will be held until 31st December, after the children start Year 7 in September.

Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to Sunderland Local Authority.

If there are no spaces available at the time of your application, you will need to fill out an application form and your child's name will be added to a waiting list for the relevant year group. When a space

becomes available it will be filled by one of the pupils on the waiting list in accordance with the oversubscription criteria listed in section 6.2 of this policy. Priority will not be given to children on the basis that they have been on the waiting list the longest.

It is the Local Authority who allocate places within this provision and not the Academy Trust. The resources dedicated to the provision are not available to students within school.

## **8. Appeals**

Parents who are unsuccessful in securing a place have a statutory right of appeal. Information will be included within the notification letter. Further details of the appeals process are available by writing to the Chair of Governors at the Academy address.

- **A 'Looked-after' child who was previously looked after but immediately after being looked after became subject to an adoption, residency/child arrangement or special guardianship order** - a child that is looked-after' by a Local Authority in accordance with Section 22(1) of the Children's Act 1989 and a child who was looked after, but ceased to be so, because of adoption (or become subject to a child arrangements order, residence order or special guardianship order) and a 'Looked-after' child who appears to the Admission Authority to have been in state care outside of England and ceased to be in state care as result of being adopted - a child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society
- **Attendance in Key Stage 2 (aged 7-10+) at a designated cluster junior or primary school namely:**  
  
Broadway Junior  
Hasting Hill  
Plains Farm and  
Thorney Close
- **A sibling link** - an older brother/sister or older child that shares the same parent/carer and lives at the same address, who will be attending Sandhill View Academy at the time of admission.
- **Exceptional medical or psychological reasons** (you must include a medical or psychological report, prepared by a professional, to confirm information that you include in this section. This report should explain why only this school can meet your child's medical or psychological needs. Common childhood medical conditions such as asthma or giving a child's or giving a child's nervousness at starting new school as a psychological reason for choosing a particular school are

unlikely to be accepted as exceptional). If you intend to use this criterion when expressing a preference, please contact the School Admissions Team before completing the application form. (Eligibility under this category will be considered by a meeting of the Admission Authority).

- **Students for whom preferences are expressed on grounds other than those outlined above.**

Within each of the above, places will be offered on the basis of distance from the centre of the home address to the main entrance of the school with priority being given to those living closest to the school. Distance is measured by the shortest safest walking distance, using a geographical information system (GIS). This uses Ordnance Survey maps and Land & Property Gazetteer (LLPG), which provides co-ordinates for every dwelling.

At the first stage of allocations there will be no distinction between 1st, 2nd, 3rd etc. preference applications. Therefore, all applications will be considered equally against the admission criteria. If a pupil then qualifies for a place at more than one school, the parent's highest ranked preference will be offered and any lower ranking offers will be disregarded.

In determining allocations, priority will be given to those applications where the parental preference is received by the published deadline date.

Where it is not possible to offer at a school, the child will be placed on a waiting list. The waiting list is sorted using the admission criteria and will be held until the 31st December, after the children start Y7 in September.

Parents who are refused a place have a statutory right of appeal. Further details of the appeals process will be included with the notification letter but are also available from the Local Authority School Admissions Team and on the Sandhill View Academy website.

**Where a pupil has an Education, Health & Care Plan need a naming school - a place will be offered at that school (subject to confirmation by the SEN Unit).**

# Southmoor Academy

Please note that the policy for Southmoor Academy was not available when the booklet was printed

# St Aidan's Catholic Academy

St Aidan's Catholic Academy was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and articles of association, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The admission policy criteria will be dealt with on an equal preference basis.

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the coordination of admission arrangements.

## **Parishes served by the school**

The school serves the parishes of:

The Holy Family, Sunderland  
Holy Rosary, Sunderland  
Immaculate Heart of Mary, Sunderland  
The Sacred Heart and John Bosco, Sunderland  
St Anne, Sunderland  
St Benet, Sunderland  
St Cecilia and St Patrick, Sunderland  
St Hilda, Sunderland  
St Joseph, Sunderland  
St Leonard, Sunderland  
St Mary, Sunderland

## **Published Admission Number**

The governing body has set its published admission number (PAN) at 180 pupils to year seven in the school year which begins in September 2022.

## **Application Procedures and Timetable**

To apply for a place at this school in the normal admission round (not in-year applications), a Common Application Form (CAF) must be completed. This is available from the local authority in which the child lives.

The parent will be advised of the outcome of the application on 1 March 2022 or the next working day, by the local authority. If the application is unsuccessful (unless the child gained a place at a school the parent ranked higher) the parent will be informed of the decision, related to the oversubscription criteria listed above, and has the right of appeal to an independent appeal panel.

If the parent is required to provide supplemental evidence to support the application (e.g. a baptismal certificate), this evidence should be provided at the time of application. If not provided, evidence may be sought by the governing body following the closing date for applications. This information must have been correct at the date of closing for applications.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 31 October 2021.

## **Pupils with an Education, Health and Care Plan (see note 1)**

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

## **Late Applications**

Late applications will be administered in accordance with the home local authority coordinated admissions scheme. Parents are advised to ensure that the application is submitted before the closing date.

## **Admission of Children outside their Normal Age Group**

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health.

Any such request should be made in writing to the headteacher of the school. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

## **Waiting Lists**

In addition to their right of appeal, applicants will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out below and not in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term. Inclusion on the school's waiting list does not mean that a place will eventually become available.

## **In-Year Applications**

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. A School Transfer Application Form should be completed and forwarded to the School Admissions Team at School Admissions Team, Room 2.42, Civic Centre, Sunderland SR2 7DN. Parents will be advised of the outcome of their application in writing.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, a request can be made that the child is added to the waiting list (see above).

The parent has the right of appeal to an independent appeal panel.

## **Right of Appeal**

Where a parent has been notified that a place is not available for a child, every effort will be made by the local authority to help the parent to find a place in a suitable alternative school. Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the chair of governors at the school address.

## **Fair Access Protocol**

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any local protocol that has been agreed by both the diocese and the governing body for the current school year. The governing body has this power, even when admitting the child would mean exceeding the published admission number.

## **False evidence**

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school, the place itself, where it is satisfied that the offer or place was obtained by deception.

## Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

First priority in each category will be given to children who will have an older sibling attending the school in September 2022.

1. Catholic and Other looked after and previously looked after children. (see notes 2&3)
2. Catholic children who are resident within the boundaries of a parish served by the school. (see note 3)
3. Other Catholic children. (see note 3)
4. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
5. Children of a member of school staff who has been employed for two or more years at the time at which the application for admission to school is made (see note 6)
6. Children of other Christian denominations whose membership is evidenced by a minister or faith leader. (see note 7)
7. Children of other faiths whose membership is evidenced by a minister or faith leader. (see note 8)
8. Any other children.

## Tie Breaker

Where there are places available for some, but not all applicants within a particular criterion, priority will be given to children living closest to school determined by the shortest distance. Distance from home to school when measured by the shortest walking route will be the deciding factor. Measurements will be calculated using the Local Authority's Geographical Information System (GIS).

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out in a public place and supervised by a person independent of the school.

## Notes and definitions

1. **An Education, Health and Care Plan** is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.

2. A **'Looked-after' child** who was previously looked after but immediately after being looked after became subject to an adoption, residency/child arrangement or special guardianship order – a child that is looked-after' by a Local Authority in accordance with Section 22(1) of the Children's Act 1989 and a child who was looked after, but ceased to be so, because of adoption (or become subject to a child arrangements order, residence order or special guardianship order) and a **'Looked-after' child** who appears to the Admission Authority to have been in state care outside of England and ceased to be in state care as result of being adopted – a child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.

3. **Catholic** means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic.

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

4. **Catechumen** means a member of the catechumenate of a Catholic Church. For the purposes of admissions this refers to the child on whose behalf the application is being made. This will normally be evidenced by a certificate of reception into the order of catechumens.

5. **Eastern Christian Church** includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church. Those who have difficulty obtaining written evidence of baptism or reception should contact the Diocese who will decide how the question of baptism or reception is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

6. **A member of staff** includes all school staff who are under direct employment of the Directors of the school.

7. **Children of other Christian denominations** means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements

in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

Applicants must provide a baptismal certificate or where child baptism is not practised, a letter confirming their church membership from their minister or faith leader.

8. **Children of other faiths** means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

Applicants must provide a letter of support to confirm their faith membership from their minister or faith leader.

9. A child's **home address** refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Common Application Form ("CAF"). Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.

10. **Sibling** includes:

- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
- (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.

11. A **parent** means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child (having care of a child means that the child lives with and is looked after by that person).

**This policy should be read in conjunction with the local authority’s admission guidance for parents.**

# St. Anthony's Girls' Catholic Academy

Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church with its trust deed and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic School, we aim to provide Catholic education for all our pupils. At a catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. Published Admission Number:

The governing body has set its published admission number (PAN) at 210 pupils to year seven in the school year which begins September 2022.

**Application procedure and timetable:**

To apply for a place at the school in the normal admission round (not in-year applicants), a Common Application Form (CAF) must be completed. This is available from the local authority in which the child lives.

The parent will be advised of the outcome of the application on March 1st 2022 or the next working day, by the local authority. If the application is unsuccessful (unless the child gained a place at the school the parent ranked higher) the parent will be informed of the decision, related to the over-subscription criteria listed, and has the right of appeal to an independent appeal panel.

If the parent is required to provide supplemental evidence to support the application (e.g. a baptismal certificate), this evidence should be provided at the time of application. If not provided, evidence may

be sought by the governing body following the closing date for applications. This information must be correct at the date of closing for applications.

All applications, which are submitted on time, will be considered at the same time and after the closing date for admissions which is 31st October 2021.

### **Pupils with an Education, Health and Care Plan (see Note 1)**

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

### **Late applications**

Late applications will be administered in accordance with the local authority co-ordinated admissions scheme. Parents are advised to ensure that the application is submitted before the closing date.

### **Admission of children outside their normal age group**

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems e.g. ill-health.

Any request should be made in writing to the headteacher of the school. The governing body will make its decision about the request based upon the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher who has a statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of parents and of the appropriate medical and educational professionals.

### **Waiting lists**

In addition to their right of appeal, applicants will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in the order of the oversubscription criteria set out below and not in order in which the applications are received or added to the list. Waiting lists for admission will operate throughout the year. The waiting list will be held open until the last day of the summer term. Inclusion of the school's waiting list does not mean that a place will eventually become available.

### **In-year applications**

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. Applications should be made to the school by contacting either Mrs J Donaldson or Mrs C Donkin on 0191 565 8904. Parents will be advised of the outcome of their application in writing.

Where there are places available but more applications than places, the published oversubscription criteria, as set out below, will be applied.

If there are no places available, a request can be made that the child is added to the waiting list (see above).

The parent has the right to appeal to an independent panel.

### **Right of appeal**

Where a parent has notified that a place is not available for a child, every effort will be made by the local authority to help the parent to find a place in a suitable alternative school. Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the chair of governors at the school address.

### **Fair access protocol**

The school is committed to taking its fair share of children who are vulnerable/hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any local protocol that has been agreed by both the diocese and the governing body for the current school year. The governing body has this power, even when admitting the child would exceed the published admission number.

### **False evidence**

The governing body reserves the right to withdraw the offer of a place or, where the child is already attending the school, the place itself, where it is satisfied that the offer of a place was obtained by deception.

### **Oversubscription criteria**

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority:

The first priority in each category will be given to children who have an older sibling attending the school in September 2022.

**Tie breaker:**

Where there are places for some, but not all applicants within a particular criterion, distance from the home address to the school will be the deciding factor, with preference being given to those whose address is nearest to the school when measured by the shortest pedestrian route using the Local Authority's computerised measuring system with those living nearer the school receiving higher priority.

**Notes and Definitions**

1. A Statement of Special Educational Needs is a statement made by the local authority under section 324 of the Education Act 1996, specifying the special educational provision for a student. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a student.
2. A looked after student has the same meaning as in section 22(1) of the Children Act 1989, and means any student who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. students with foster parents) at the time of making application to the school.

A previously looked after student is a student who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order. Previously looked after children also includes those children who appear (to the governing body) to have been in state care outside of England and ceased to be in state care as a result of being adopted”

3. Catholic means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic.

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. 4. Catechumen means a member of the catechumenate of a Catholic Church. For the purposes of admissions this refers to the student on whose behalf the application is being made. This will normally be evidenced by a certificate of reception into the order of catechumens.

Those who have difficulty obtaining written evidence of baptism or reception should contact the Diocese who will decide how the question of baptism or reception is to be resolved and how written evidence is to be produced in accordance with the law of the Church.
6. A child's home address refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Common Application Form ("CAF"). Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.
7. Sibling includes:
  - (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
  - (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.
8. A parent means all natural parents, any person who is not a parent but has parental responsibility for a student, and any person who has care of a student (having care of a student means that the student lives with and is looked after by that person).

This policy should be read in conjunction with the local authority's admission guidance for parents.

## **In-Year Applications**

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. A School Transfer Application Form should be completed and forwarded to the School Admissions Team at People Services, Civic Centre, Sunderland, SR2 7DN. Parents will be advised of the outcome of their application in writing.

Where there are places available but more applications than places, the published oversubscription criteria will be applied.

If there are no places available, a request can be made that the child is added to the waiting list (see above).

The parent has the right of appeal to an independent appeal panel.

## **Right of Appeal**

Where a parent has been notified that a place is not available for a child, every effort will be made by the local authority to help the parent to find a place in a suitable alternative school. Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the chair of governors at the school address.

## **Fair Access Protocol**

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing

body is empowered to give absolute priority to a child where admission is requested under any local protocol that has been agreed by both the diocese and the governing body for the current school year. The governing body has this power, even when admitting the child would mean exceeding the published admission number.

### **False evidence**

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school, the place itself, where it is satisfied that the offer or place was obtained by deception.

### **Over Subscription Criteria**

Where there are insufficient places available to meet all parental preferences, priority for admission will be given to those children who meet the criteria set out below, in the following order:

First priority in categories 1-5 will be given to students who will have a sibling attending the school in September 2022.

1. Looked after and previously looked after children. (See note 2)
2. Catholic children who are attending a feeder primary. (See note 3)
3. Catholic children who are resident in the catchment area. (See note 3)
4. Other Catholic children.
5. Catechumens and members of an Eastern Christian Church. (See notes 4&5)
6. Children who have a brother or sister in Years 7 to 11 attending the school at the time of admission. (See note 9)
7. Children of other Christian denominations whose membership is evidenced by a minister or faith leader. (See note 6)
8. Children of a member of school staff who has been employed at the school for two or more years at the time at which application for admission to the school is made. (See note 11)
9. Children of other Faiths, whose membership is evidenced by a minister or faith leader. (See note 7)
10. Other children attending a feeder primary.
11. Other children.

## Tie-breaker

Where there are places available for some, but not all applicants within a particular criterion, places will be offered on the basis of distance from the centre of the home address to the main pedestrian entrance of the school building with priority being given to those living closest to the school. Distance is measured by the shortest safest walking distance, using the Local Authority's geographical information system (GIS).

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out in a public place and supervised by a person independent of the school.

## Notes and definitions

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A looked after child has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A previously looked after child is a child who was looked after but ceased to be so because he or she was adopted or became subject to a child arrangements order or special guardianship order. Included in this definition are those children who appear (to the governing body) to have been in state care outside of England and who ceased to be in state care as a result of being adopted.

3. Catholic means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic.

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

4. Catechumen means a member of the catechumenate of a Catholic Church. For the purposes of admissions this refers to the child on whose behalf the application is being made. This will normally be evidenced by a certificate of reception into the order of catechumens.

5. Eastern Christian Church includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church. Those who have difficulty obtaining written evidence of baptism or reception should contact the Diocese who will decide how the question of baptism or reception is to be resolved and how written evidence is to be produced in accordance with the law of the Church.
6. Children of other Christian denominations means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

Applicants must provide a baptismal certificate or where child baptism is not practised, a letter confirming their church membership from their minister or faith leader.

7. Children of other faiths means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:
  - A religion which involves belief in more than one God, and
  - A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

Applicants must provide a letter of support to confirm their faith membership from their minister or faith leader.

8. A child's "home address" refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Common Application Form ("CAF"). Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.

9. Sibling includes:
- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
  - (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.
10. A parent means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child (having care of a child means that the child lives with and is looked after by that person).
11. A member of school staff includes all school staff who are under the direct employment of the governing body of St Robert of Newminster Catholic School and Sixth Form College, Washington

**This policy should be read in conjunction with the local authority's admission guidance for parents.**

# Thornhill Academy

- 1. A 'Looked-after' child who was previously looked after but immediately after being looked after became subject to an adoption, residency/child arrangement or special guardianship order** – a child that is looked-after' by a Local Authority in accordance with Section 22(1) of the Children's Act 1989 and a child who was looked after, but ceased to be so, because of adoption (or become subject to a child arrangements order, residence order or special guardianship order) and a 'Looked-after' child who appears to the Admission Authority to have been in state care outside of England and ceased to be in state care as result of being adopted – a child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society
- 2. Attendance in Key Stage 2 (age 7-10+) at a designated cluster junior or primary school**
- 3. A sibling link** - an older brother/sister or older child (including adoptive, foster or step-children) that shares the same parent/carer and lives at the same address, who will still be attending the preferred school at the time of admission.
- 4. Exceptional medical or psychological reasons** (you must include a medical or psychological report, prepared by a professional, to confirm information that you include in this section. This report should explain why only this school can meet your child's medical or psychological needs. Common childhood medical conditions such as asthma or giving a child's or giving a child's nervousness at starting new school as a psychological reason for choosing a particular school are unlikely to be accepted as exceptional). If you intend to use this criterion when expressing a preference, please contact the School Admissions Team before completing the application form. (Eligibility under this category will be considered by a meeting of Senior LA Officers).
- 5. Pupils for whom preferences are expressed on grounds other than those outlined above.**

## NOTES

Within each of the above, places will be offered on the basis of distance from the centre of the home address to the main entrance of the school with priority being given to those living closest to the school. Distance is measured by the shortest safest walking distance, using a geographical information system (GIS). This uses Ordnance Survey maps and Land & Property Gazetteer (LLPG), which provides co-ordinates for every dwelling.

At the first stage of allocations there will be no distinction between 1st, 2nd, 3rd etc. preference applications. Therefore all applications will be considered equally against the admission criteria. If a pupil then qualifies for a place at more than one school, the parent's highest ranked preference will be

offered and any lower ranking offers will be disregarded.

In determining allocations, priority will be given to those applications where the parental preference is received by the published deadline date.

Where it is not possible to offer at a school, the child will be placed on a waiting list. The waiting list is sorted using the admission criteria and will be held until the 31st December, after the children start Y7 in September.

Parents who are refused a place have a statutory right of appeal. Further details of the appeals process will be included with the notification letter but are also available from the School Admissions Team.

Where a pupil has an Education, Health & Care Plan need naming a school, a place will be offered at that school (subject to confirmation by the SEN Unit).

# Appeals Process

**Please note that this does not apply to children with a statement of SEN or Education, Health and Care Plan. Appeals for these children are dealt with by the SEN and Disability Tribunal.**

## **25. If my child is not offered a place at any of my preferred schools/academies, can I appeal?**

**Yes** – If your child is not offered a place at any of your preferred schools/academies, you have the right to appeal against this decision to an independent appeal panel.

## **26. How do I do this?**

If it has not been possible to offer a place at your preferred Community school(s), information would have been included with your letter from the School Admissions Team. If you wish to appeal against this decision you would need to request a form from the Schools Admissions Team. You will then need to complete the form, outlining your reasons, and return it to the Clerk to the School Admission Appeals Panel of the City Council.

If your preferred school(s) is a Voluntary Aided school or Academy, your letter from the School Admissions Team would have explained that you need to contact the school/academy directly to obtain information about the appeal process.

If your preferred school is outside of the City of Sunderland, your letter from the School Admissions Team would have explained that you need to contact the LA where the school is situated directly to obtain information about the appeals process.

## **27. What happens next?**

Appeal hearings are usually held between May and July but may still be held up to and during the summer holidays. You should complete and return your appeal form as soon as possible, so that an appeal hearing can be arranged.

You will be notified of the date of the appeal hearing at least 2 weeks prior to that date. A week before the hearing is due to take place, you will receive a copy of the LA's statement of case. This will explain why it was not possible to offer your child a place at the school and the implications of more children being admitted above the admission number.

If you are appealing for a place in a Voluntary Aided school or Academy, you will receive a copy of the statement of case for the school or Academy.

## **28. What happens at the appeal hearing?**

The appeal hearings for all Community schools and most Aided schools and Academies are normally held in the Civic Centre and you will be invited to attend. Although there is a process to follow for the appeal hearing, the panel members do try to keep the meeting as informal as possible. It is possible to bring along a friend to support you.

The panel members are trained volunteers and are completely independent of Neighbourhoods Directorate, the City Council, Together for Children and schools.

As the decision that is made by the panel members is final, it is very important that you take this opportunity to put forward your reasons for wanting a place in this school/academy.

The panel will consider the LA's/school's/academy's case against your reasons and make a decision. You will be notified of the panel's decision in writing within five working days of the hearing.

## **29. What if my appeal is successful?**

If your appeal is upheld (successful) then you have secured a place in the school/academy for your child. Your child's details will be forwarded to the school/academy and they will be included in any visits, etc.

If you have accepted a place in any other school/academy (e.g. second or third preference school), then the offer of this place will be cancelled. Your child's name will be removed from this school/academy's list.

## **30. What if my appeal is unsuccessful?**

If your appeal is dismissed (unsuccessful), this decision is final. Your child will remain on the waiting list in case any vacancies arise.

It is only possible to have one appeal for the same school/academy within the same year group, unless there is a significant change in circumstances.

The School Admissions Team will continue to encourage you to consider other schools/academies for your child, while still remaining on the waiting list for your preferred school/academy.

## **31. What can I do if I'm unhappy about the Panel's Decision?**

There is no further appeal. The letter that you receive explaining the decision of the Appeal Panel will inform you about the limited options that are available.

There is no right of appeal to the Secretary of State for Education. The Secretary of State cannot review or overturn decisions of appeals panels but has a limited power to intervene in very exceptional circumstances.

The Local Government Ombudsman is not able to overturn an appeal panel's decision but can investigate written complaints about maladministration on the part of an admission appeals panel in respect of Community Schools. Currently the Education and Skills Funding Agency (ESFA) are appointed to investigate complaints about Academy Independent Admission Appeal Panels on behalf of the Secretary of State. This is not a right of appeal and has to relate to issues such as a failure to follow correct procedures or a failure to act independently, rather than complaints where you simply feel that the wrong decision has been made.

# General School Related Issues

## **32. My child has got a place in a school/academy, what happens next?**

Once you have been offered and accepted a place in a school/academy, you will receive no further correspondence from the Schools Admissions Team. Your child will be invited to attend the school/academy for a visit and you will receive information about tutorial groups, start and finish times, term dates, etc.

## **33. Will I be able to get any help towards the cost of the uniform?**

If you qualify for free school meals (see previous page) or are in receipt of the maximum level of Working Tax Credit, your child will be provided with free home to school transport if the school they attend is one of the three nearest to their ordinary place of residence; and that school is more than two miles but below six miles from their ordinary place of residence.

If you think that your child would qualify, please contact the School Transport Team on (0191) 561 2284 for more information.

If you qualify for free school meals (see previous page) or are in receipt of the maximum level of Working Tax Credit, your child will be provided with free home to school transport if the school they attend is their nearest suitable school preferred on the grounds of religion or belief where their home address is more than two miles but not more than 15 miles from that school.

If you think that your child would qualify, please contact the School Transport Team on (0191) 561 2284 for more information.

### 37. My child uses the bus to get to school, do they need a bus pass?

If your child uses a bus or the metro to get to and from school, it is advisable that they have a Pop Card which shows that they only pay the concessionary child fare. If your child lives within Tyne & Wear, you should contact NEXUS for more information on (0191) 202 0747 or [www.nexus.org.uk](http://www.nexus.org.uk)

### 38. What is the Local Authority's Fair Access Protocol?

The Admissions Code requires each Local Authority to agree and operate a Fair Access Protocol. This is a local agreement amongst all schools and academies and operates outside the normal admission rounds. The aim is to ensure that children without school places and in particular vulnerable children, children with challenging behaviour or those who have been permanently excluded and children who have been out of school for considerable periods of time are offered a place at a suitable school as quickly as possible. In certain circumstances, the Protocol allows a child to be admitted to a school even if the year group is already full.

### 39. What happens with in-year (casual) admissions?

The School Admissions Team co-ordinates the transfer process on behalf of all secondary and all-age schools and academies within Sunderland Local Authority.

An application form must be completed by parent/carer, in order to apply to transfer schools and returned to the School Admissions Team. Applications forms are available from schools, the School Admissions Team and the council's website [www.sunderland.gov.uk/index.aspx?articleid=1816](http://www.sunderland.gov.uk/index.aspx?articleid=1816)

This application form **MUST ONLY** be completed for places at Sunderland schools.

If the pupil is currently attending a Sunderland school, the Headteacher of their current school **MUST** countersign the application form. This means that schools will always be aware of any transfer requests. The application will not be processed unless that has happened.

If the current school is within Sunderland Local Authority, a pupil profile will automatically be completed whenever a transfer is counter signed. This will provide information about attendance; exclusions; SEN; involvement with agencies; KS4 courses; etc.

A copy of the application form and pupil profile will be forwarded to the relevant school(s) for consideration. The Local Authority will require the school to confirm whether there is a vacancy in the relevant year group and whether it will be possible to offer a place.

If the application is for a Voluntary Aided school or academy, the School Admissions Team will write on behalf of the governing body/Trust Board.

If there is a vacancy in the year group, the School Admissions Team will write to the parent/carer to offer this place. Parents/carers must accept or decline this place in writing and a form will be provided. If the year group is full, a letter will be sent to parent/carer, which will explain their right of appeal to an independent panel.
