

Action List – EIP – Week Three

Council are to undertake the following tasks as set out in the table below:

Table: Tasks Arising From Week Three (11.06.2019 to 13.06.2019)

Session	Task	Status
Session 12	With regards to CSDP Paragraph 5.5, provide clarification regarding Health Impact Assessment (HIA) thresholds for non-residential development only required for EIA development that has the potential to have a significant impact on health.	Ongoing
Session 12	Make modifications to BH1: Design Quality, parts 8, 10 and 13.	Ongoing
Session 12	Make modifications to BG8: Heritage Assets, part 8.	Ongoing
Session 12	Make reference in Paragraph 10.4 to Figure 40 showing 'indicative' GI corridors.	Ongoing
Session 12	Make modification to Paragraph 10.14 to clarify that development can also improve wildlife corridors.	Ongoing
Session 12	With regards to CSDP paragraph 11.43, make reference to Appendix 10 in SD.55 Waste Arisings and Capacity Requirements report, providing the current list is active waste sites in the city.	Ongoing
Session 13	Updated the IDP to reflect highway schemes identified in Joint Position Statement with Highways England (EX1.029). Updated IDP to be published alongside Main Modifications.	Ongoing
Session 13	Policy ID2, point 1, ii, add the wording 'where evidenced'.	Ongoing
Session 13	Remove Part 2 of Policy ID2 regarding monitoring fees.	Ongoing
Session 13	In supporting text for Policy NE2, make modification to indicate that depending on the type of SANG proposed, it may be possible for this to also be used as greenspace.	Ongoing
Session 13	Include the Monitoring Framework as an Appendix to the Plan	Ongoing

Session 13	Clarify, within the Monitoring Framework, that 'the Plan' with regard to a potential Plan review relates to the Local Plan as a whole, rather than just the CSDP.	Ongoing
