

### Expression of interest

- BREEZ is currently offering free energy efficiency audits\*, Energy Performance Certificates\* (EPCs) and grant funding to qualifying Sunderland-based small and medium-sized enterprises (SMEs)
- The project helps identify the key areas across your business where significant energy savings can be made
- Grants are also available to install energy-saving measures into your business premises and improve your process equipment

The project operates on a first-come-first-served basis and is open for new applications until March 2022. To check if you qualify please complete and return this form and a member of the BREEZ Team will be in touch soon.

If so what percentage of the business does the parent company own?	-----%
Please state how you heard about BREEZ	

\*BREEZ Energy Efficiency Audits and EPCs are fully-funded by the **European Regional Development Fund (ERDF)** and Sunderland City Council. BREEZ will not fund a new EPC where a valid one already exists, or it is deemed as not required.

\*BREEZ Grant funding is available on a 50:50 match-funding basis only.

BREEZ will assess potential for saving energy and reserves the right to refer some applicants to a similar partner project.
